In the year 1950 a school was born and so were most of our now graduating Seniors. Our exploits together have been numerous and varied and we both have experienced growth and maturity.

Throughout the grades we left our mark of originality. This was expressed in seventh grade when we gave a teacher a negligee for her retirement. We also exhibited our skills in three plays; the first "Sorry Wrong Number" won us a first prize in our Sophomore year, the second "George Washington Slept Here" was a grand success as a Junior Play in spite of its notoriously long third act, and "The Diary of Anne Frank" which we produced this year was lauded as the finest dramatic production in the history of our school. Our class also displayed artistic talent in "Over the Rainbow" our Junior Prom which surpassed all others in beauty by the creation of extensive wall murals. This could only be followed by our Senior Ball, "Christmas Around the World".

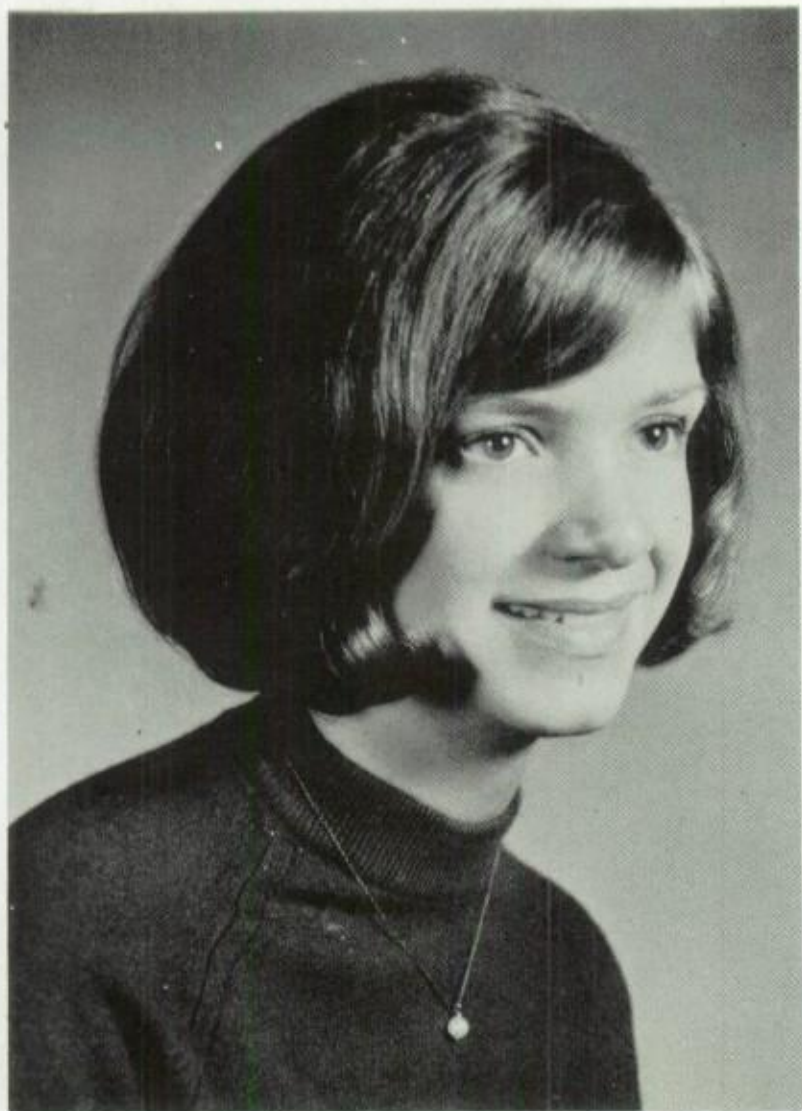

We are proud of our accomplishments in the past, but we eagerly await the challenge of the future. A future made brighter by you, Cambridge Central.

Sincerely,

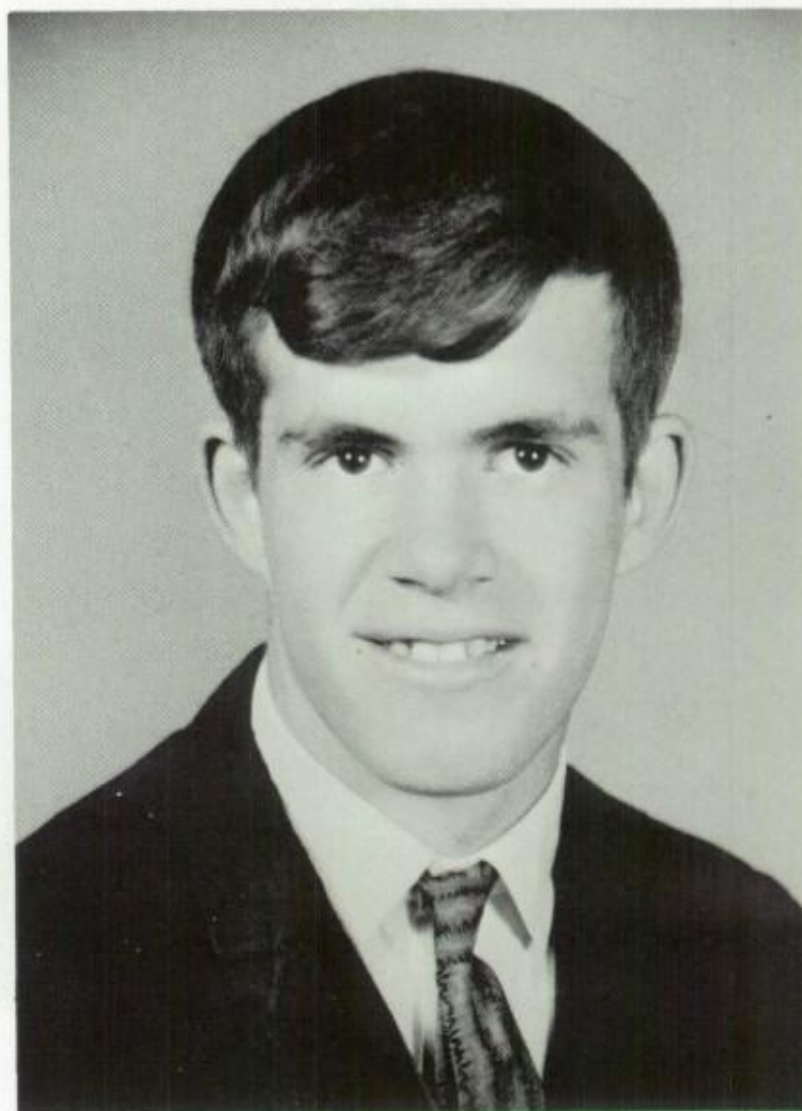

The Class of '68"

Football

The 1967 Cambridge Football squad in spite of many key injuries made a better effort than its 1-5 record would indicate. All of the losses to league teams were close and each game was well played down to the final play. What the team lacked in weight was made up for by a great deal of spirit. We look forward to next years team with many returning lettermen.

Action Plus

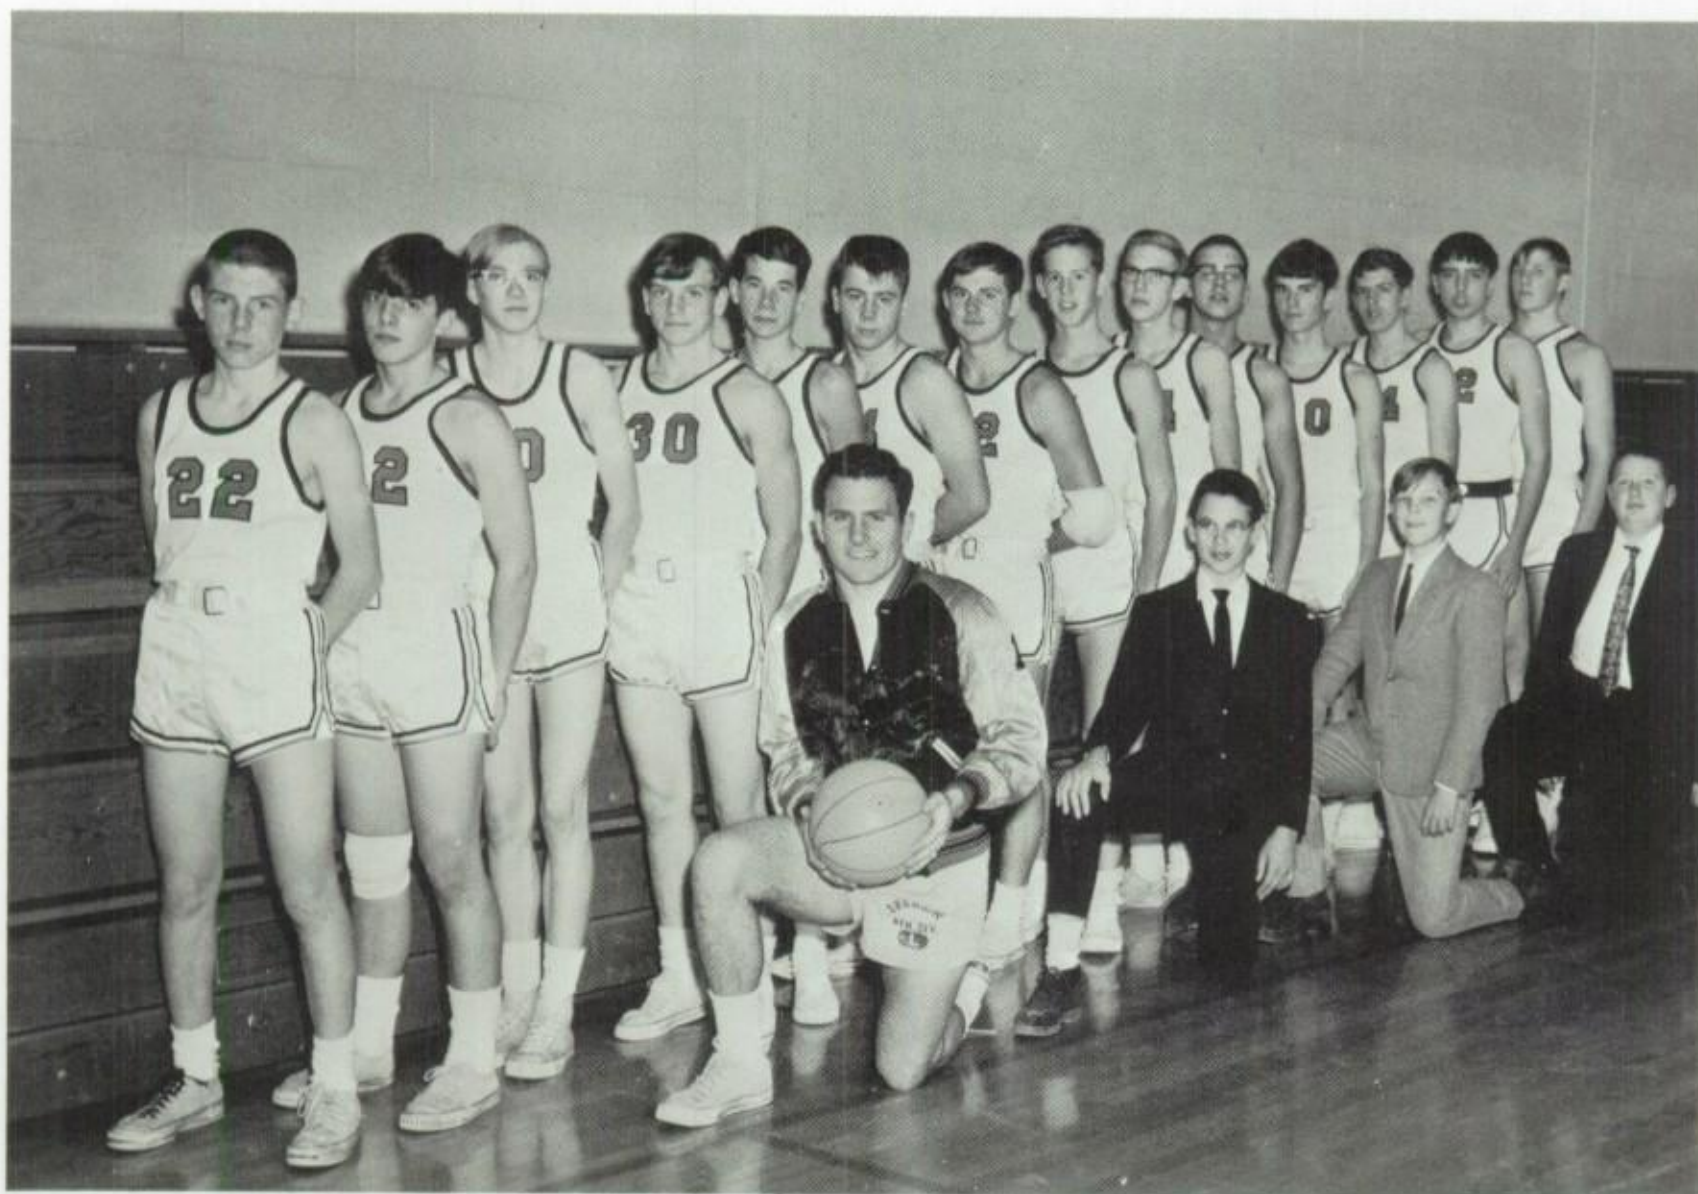

This year's Varsity Basketball team never lost its poise and always had a hard fight for its opponents. Most of this years losses were close and never did an opponent run away with a game.

Seniors, Steve Nygard, Robert Woodward, and Ken Gottry will be leaving this year but Cambridge can look forward to several fine returning lettermen.

Wrestling

This year's varsity wrestling squad finished third in the league and received more honors than its 7-6 record indicated. Lane Peters finished first in the Christmas Tournament at Queensbury and both Lane and Len Peters finished first in the Washington County Tournament.

Because the freshmen wrestlers looked so promising, Coach Tesar instituted a Junior Varsity Squad. In their one match against Queensbury the J.V. squad made a fine showing.
